SECTION 3: WAITING PERIODS & CLAUSE DETAILS

3.1 Initial Waiting Period:

A 30-day waiting period from commencement date applies to all illnesses except accidents.

3.2 Pre-Existing Diseases (PED):

A 24-month waiting period applies for pre-existing diseases declared at the time of proposal and accepted by the Company. Continuous renewal with Canara Bank scheme is mandatory.

3.3 Specific Diseases / Ailments (24 Months Waiting Period):

The following conditions are excluded from coverage until 24 months of continuous insurance have elapsed:

- Cataract surgery
- Hernia, hydrocele, congenital internal diseases
- Stones in gall bladder and kidney
- Hysterectomy for menorrhagia
- Knee and hip joint replacements

3.4 Chronology Rule:

Illnesses first diagnosed 24 months after policy inception are eligible for claims provided they are not permanent exclusions, were not concealed at enrollment, and all policy renewals were paid on time without break.

SECTION 4: CO-PAYMENT & DEDUCTIBLE CONDITIONS

4.1 Mandatory Co-Payment:

A mandatory 20% co-payment applies to each and every admissible claim if the insured person resides in Zone B (non-metro) but undergoes planned medical treatment in a Zone A metro city (such as Mumbai, Delhi NCR, or Bengaluru).

Treatment taken in network hospitals within the home state is exempt from zonal co-pay.

4.2 Deductibles:

No deductible on base sum insured.

SECTION 5: CLAIM INTIMATION & CASHLESS PROTOCOL

5.1 Cashless Pre-authorisation:

Must be submitted 72 hours prior to planned admission. In case of emergency, notice must be given within 24 hours of hospital admission.

5.2 Non-Network Reimbursement Protocol:

If treatment is taken in a non-network hospital in Karnataka, Maharashtra, or any other Indian state:

- Hospital must have at least 15 in-patient beds (10 in Class C towns)
- Fully equipped operation theatre and round-the-clock qualified medical practitioners
- Submit claim packet within 15 days of discharge with doctor prescriptions and forensic test reports.

5.3 Verification Warning:

Empanelment of network hospitals changes periodically. Empanelment on a policy PDF does not guarantee active cashless status on the date of admission.
